OG-WL-HOP COLLABORATION TEAM SUB-GROUP
COMMUNITY LISTENING
JULY 26, 2016

The meeting was held at Woodlake Lutheran Church. Attending: Laural Johnson, Dick Franzmeirer, Tom Zarth, Dave Steenson; absent: Paula Kiehl, Jan Philbert.

Much of the meeting was consumed in a review of the member church's outreach programs. (See attached.) Consensus was that, while interesting, we needed to focus more on "community listening" strategies. Discussion refocused on the question, "What questions should we be attempting to answer?" Suggestion was made to get possible direction from Pastor Ben Sandin's (HOP) DDiv research methods. DS agreed to invite Pastor Sandin to the next meeting, Aug. 8, 6:30 p.m., at Woodlake.

Respectfully submitted,
